The screenshot shows a Windows desktop with a coastal background. In the foreground, there are two windows:

- Teste de Velocidade da Internet (Speed Test):** A window from 'minhaconexao.com.br' showing test results for 'NET'. The download speed is 0.28 Mbps and the upload speed is 0.03 Mbps. It also displays a plan for 70 Mega for R\$49/mês.
- Prompt de Comando (Command Prompt):** A black window showing the output of the 'tracert' command to google-public-dns-a.google.com [8.8.8.8]. The output shows the route from the user's computer to the destination, including IP addresses and response times.

The desktop background features a scenic view of a coastline with turquoise water and rocky cliffs. Various icons are visible on the desktop, including 'Kaspersky Secure Co...', 'aTube Catcher', 'Screenshot in Index...', 'GIVE, edit, Mix Mp3...', 'Advanced P Scanner', 'Acrobat Reader D...', 'Yandex.Disk', and several folders and files related to 'DJ NICOLAS' and 'Projeto Tim'.
