Plataforma VSAT

The screenshot shows a desktop environment with two open web browsers. The left browser is displaying the 'SatLink VSAT' website, which features a logo and a navigation menu. The main content area shows the 'Device Status' for a 'SatLink 2000' device, listing various parameters such as Model, Software Version, LAN MAC Address, DVB MAC Address, System Up Time, CPU Load, System Name, System Contact, and System Location. The right browser is displaying a terminal window with network-related information, including IP addresses, subnet masks, and statistics for a specific interface.
