The screenshot displays a Windows XP desktop environment. The main window is a File Explorer showing the contents of the 'C:\Documents and Settings\CLAUDIO\Desktop\VIVO per 11 Dormentes Sao Domingos' folder. It contains files like CONFIG.JPG, Dados Instalação VIVO-PER-26032660-PE.xlsx, PING.JPG, and TESTE VELOCIDADE.JPG. Overlaid on this is a Command Prompt window (C:\WINDOWS\system32\cmd.exe) showing the results of a ping command to 8.8.8.8, including response times and TTL values. Another window shows the 'Status da Conexão local' (Local Connection Status) for 'VIVO-PER-26033275-PE', indicating it is connected via DHCP. A Notepad window is also open with the text 'VIVO-PER-26033275-PE'. The taskbar at the bottom shows the Start button and several open applications, including Microsoft Office Word, SatLink VSAT, and the network status window. The system clock shows 13:41 on June 1, 2017.
